VOTES:

Chair: Jessica Reinders

Co Chair- Peggy Beedie

Secretary: Lori Hannon

Treasurer: Melissa Schwartz

The chair and co chair will meet once a month before the school council meeting to look at the agenda and things that want to be brought to the table. If any members of the community have anything they wish to add to the agenda, please let one of the council members know prior.

It was recommended that all school council members review the school council and school generated funds policies documents and be accountable.

A reminder, that school council is about engaging the parents and student engagement, that fundraising is only a small section of school council.

Fundraising:

Money from last year: It was decided that the remaining funds from last year will go towards making a Lego table in the library for use during recess time. It was also suggested that snow toys be purchased as well.

Tetherwood spa will be donating funds to Aberdeen. Chris will reach out and ask for donations of Lego and Snow toys as well.

Impact Church: will be donating boys basketball uniforms, groceries for breakfast program, Lego and Snow toys.

Pepperettes: Motion made by Melissa Schwartz to run the Pepperette fundraiser and have all proceeds go towards the library commons and utilize during the book fair to maximize the amount of free book rewards

Jessica Reinders seconded the motion

All present members voted unanimously to pass the fundraiser. Fundraiser will run November 1-15 and will not be available to purchase online due to the nature of the fundraiser.
